

Dear Roy B. Kelley Families,

I hope this letter finds you and your family well. I am thrilled to introduce myself as your new Principal. I am honored to serve you and your children. I have served in education for 25 years in surrounding districts as a General Education Teacher K-6, Literacy Coach, Special Education Teacher, Literacy Coordinator, Assistant Principal and now as Principal. The past few weeks have been wonderful. Meeting your children and many of you has me smiling from ear to ear. I am a wife and a mother of two daughters. My oldest Izabella, is away at college at St. Bonaventure, she is a junior. My youngest Sofia, is a senior at Lew-Port and she will attend St. Bonaventure in the fall. My husband Richard runs our family business The Country Cottage Restaurant in Pendleton. Family and food are great passions of mine along with literacy and learning.

I want to hear from you, the families of Roy B. Kelley. I have included a link to a brief survey below. My hope is that you will take some time to let me know what you love about Roy B. Kelley. This is a beautiful school filled with hardworking teachers and staff who want what is best for your child. Each day we welcome your child with warmth, love and kindness. Together, we will provide the very best elementary experience for your child.

Warmly,
Aliscia Krecisz

African American Culture Celebration

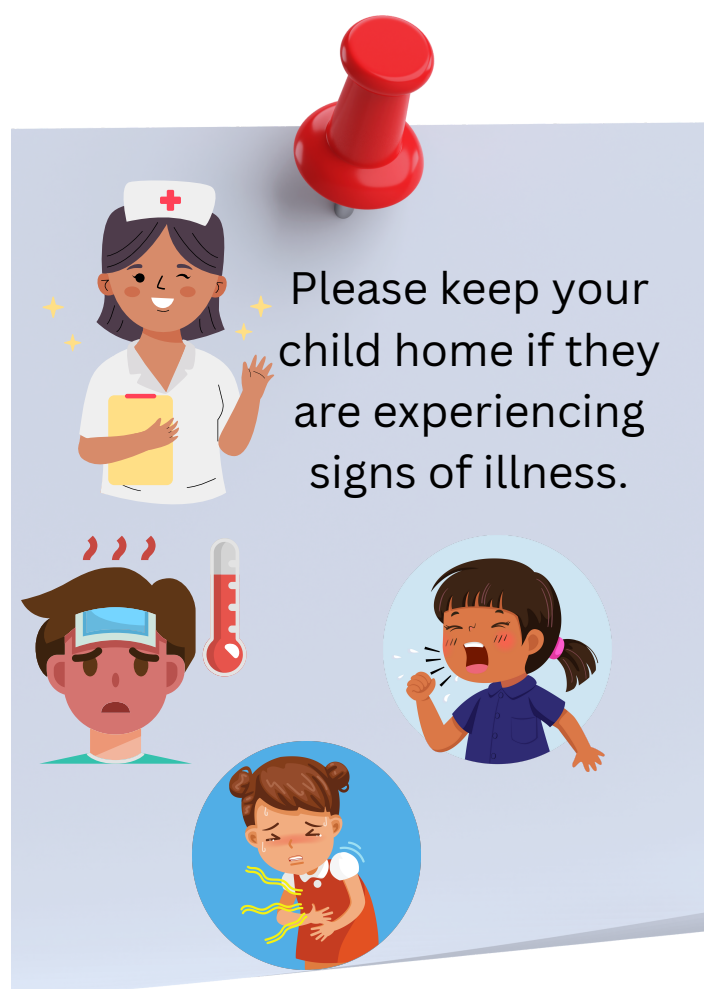

We traveled to the High School to enjoy the Sankofa African Drum & Dance performance. Children watched and were invited to participate in this incredible experience. Students were excited about this event and were impressed with the dancers and the music.
