Tech Tips

Student Portal – FORGOT PASSWORD

If you have forgotten your Student Portal Password:

Click on Forgot Password

Enter your District Gmail address in the Email field Click on "Request Password"

You will receive the following message:

Your password request has been sent. Please check your email to retrieve information to update your password.

Check your District email for the password reset link

Click on the link provided

Enter new password: Type in your selected password (choose something that you will remember)

Confirm new password: Retype your new password

Click Change Password

You will receive a message that indicates that the password has been changed and to check your email for additional instructions.

Go back to your District email and Click on the new link.

Tech Tips

Student Portal – FORGOT PASSWORD continued. . .

The new link will bring you back to the Student Portal Login screen

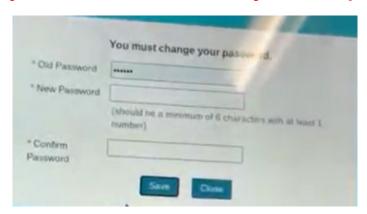

Username: Enter your 9-digit student ID number

Password: Enter the password that you just picked - Click Login

You should now have access to your Student Portal Account.

If you receive the next window it is important to note that the password you just set has now become your "old password"

Enter your Old Password

Enter a New Password OR use the same one you just set

Confirm your New Password - Retype your selected password

Click on Save
