

PARENT SURVEY RESULTS

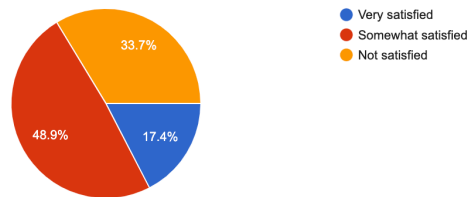

How has COVID-19 impacted your family?

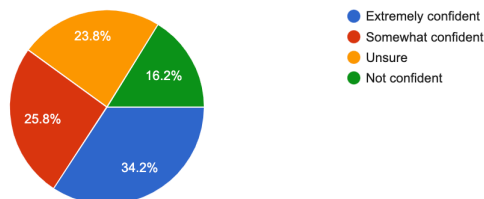

To what extent are you concerned about how the disruption in instruction this year may be impacting the emotional and mental well-being of your child(ren)?

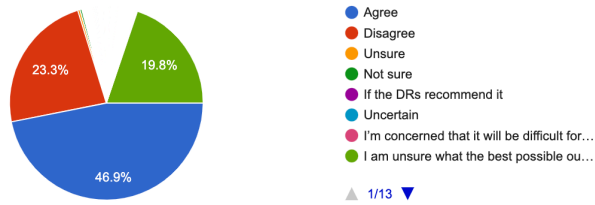

How satisfied were you with the way distance learning was implemented during the pandemic?

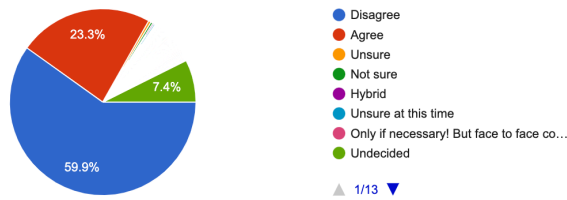

Lockport Schools will comply with local, state, and CDC guidelines, to the best extent possible, to provide a safe and healthy school environment. How confident will you be to send your child back to school knowing this?

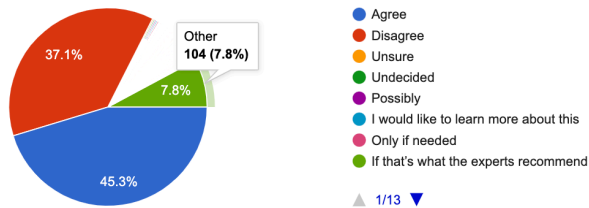

I believe in-person school should resume in September and face coverings should be worn by staff and students when social distancing is not possible.

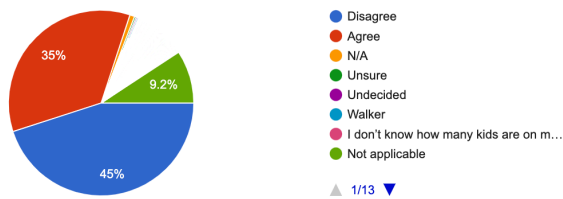

I believe in-person school should NOT resume in September and all students should continue using distance learning.

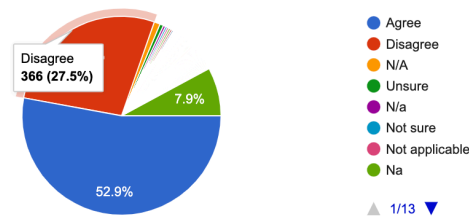

I believe there should be a blend of in-school instruction and distance learning opportunities.

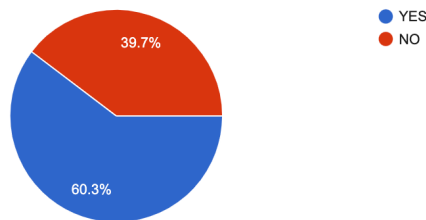

I am comfortable with my child(ren) being transported to and from school on a deep cleaned/sanitized bus with REGULAR CAPACITY of student passengers who are wearing face masks.

I am comfortable with my child(ren) being transported to and from school on a deep cleaned/sanitized bus with HALF CAPACITY of student passengers who are wearing face masks.

I would transport my child(ren) to and from school at any given time.

What is your expectation regarding extracurricular school sports and clubs?
