

Discovery Kids

Learning Center

Discovery Kids Learning Center, located in Getzville, New York, serves more than 100 families each year through its daycare for children ages 6 weeks-preschool, before/after school programs, and summer camps. We combine the expertise of our teachers with a nationally recognized curriculum, and each day create a safe, nurturing environment children discover a world of learning. Discovery Kids is located in a state-of-the-art building owned by The Summit Center.

Our toddler and preschool classrooms are integrated with Summit Academy, a school for children with autism and developmental delays. Our toddler and preschool rooms use Creative Curriculum and Core Knowledge Language Arts Curriculum (CKLA), respectively, and we have adopted the Pyramid Model to ensure that additional social and emotional elements are incorporated within a play-based model. A solid phonics-based reading program ensures that pre-requisite reading skills are embedded in daily routines and play-based learning.

We are hiring for:

**Full Time & Part Time Teacher Assistant
