## Harvest of the Month

### Strawberries

Summer is on the way! *Strawberry Shortcake* brings all the sweetest of summer to the table. Strawberries, like all berries, are one of the best fruit choices. Full of vitamins and sweetness without as much sugar as most fruits. Although, we do dress them up with a little sugar here. Let's celebrate the warmer days to come with an end of year *Farm to School Grill Out Lunch*, including NYS *Wardynski* hotdogs, potato chips, and scrumptious *Strawberry Shortcake*.
