

Lockport School Climate Survey - Student

Lockport City School District wants hear from YOU about your school! Your school wants to hear from everyone, so your response is very important. But you do not have to take the survey and you can skip any question you don't want to answer. This is not a test. There are no wrong answers. This will take about 15 minutes to complete.

Your responses are ANONYMOUS, which means that your name will not be collected, and we will not know who has said what about this program, so please be honest.

Please answer the questions as best you can. If you are unsure about the meaning of a survey question, do your best to answer it on your own. Thank you for your feedback!
